

ROXA
WE FIT

INLINE SKATE COLLECTION

WHO WE ARE

Roxa is a family-owned company based in Asolo, Italy, at the foot of the Dolomite mountains. Founded in 1987 by the Rosato brothers, the company has over 30 years of experience in plastic injection and technical footwear manufacturing.

Building on this expertise, Roxa has expanded its know-how into the world of inline skating, developing a complete range of skates designed for fitness, urban, junior, and speed disciplines.

Every Roxa inline skate is engineered with a focus on performance, comfort, and durability. From lightweight fitness models to high-performance carbon speed boots, Roxa combines innovative design with precise fit systems to meet the needs of skaters at every level.

With in-house production, continuous product development, and a strong commitment to quality, Roxa delivers reliable products designed to perform in real conditions.

ROXA: Innovation, Quality, Family owned, and proudly Made In Italy!
